Aloha e MNHCoC Members, Friends and Supporters

The recent outbreak of the coronavirus has already affected all of us in Maui County in some way, either directly or indirectly. As of today, there are no verified cases of COVID-19 in the county but regardless, we must be vigilant and do our part to prevent spreading. The Chamber encourages everyone to take precautions to ensure the health and safety our community.

In support of local efforts to diminish possible transmission of this virus, monthly General Membership and Networking meetings of the Maui Native Hawaiian Chamber of Commerce will be suspended until further notice. The Chamber will monitor the situation and decide to resume these events based on guidance from local, state and federal authorities.
